**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently use a local competitive internet service. Although I am within 20 mile of San Francisco and 30 miles from Silicon Valley, we are considered a rural area. Although AT&T is offered here, I do not use them because their service here is notoriously bad. I see my neighbor, who uses AT&T standing in the middle of the road when he can't get reception in his own house.

Please DO NOT take away our choices!

Sincerely,

Margaret Kritzer
