**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use both fiber and competitive DSL for Internet access. My parents have only DSL as an option. The telecom companies need third party competition to encourage them to be price competitive and offer good service. Even with that competition, they have consistently rated poorly for customer service, which is why I use third party companies that offer better service at lower prices with no gimmicks. I even get unlimited nationwide calling with my Internet access for one low price. Please do not do anything to stop the competition.
