**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't create barriers for providers who use UNE's. I may live in a big city (San Francisco), but I love and depend on providers like Sonic to provide my internet and phone service, and they rely on UNE's to help provide that service.

We need providers like Sonic to be supported in their efforts in order to maintain healthy competition in the internet market. The actions you are proposing will effectively limit and reduce competition, which leaves us with lame providers like AT&T and Comcast.
