**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a happy Sonic Fiber customer in the Bay Area, they've been a welcomed addition to the very little choices we have here for broadband internet service which has resulted in high prices and poor service over the years by incumbents in AT&T and Comcast (I've had both). Their product is amazing and their service amazing which is very refreshing compared to what we're used to. Having cheap, reliable high speed internet service is critical to our economy and infrastructure so please keep the market competitive.

Thank you.
