47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic.net and ask that you stop A.T.&T from raising prices and cutting off local competitive internet providers like Sonic.net.

I do not want pay more for internet service or a landline which I never use and I dont use cable TV so I dont need a bundled service that many providers make you buy.

I'm happy with the service I have now with a smaller carrier.
