**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer/small business owner who uses a local broadband provider and I am VERY concerned about large carriers trying to dismantle key components of the 1996 Telecommunications Act.

Fairly priced broadband is critical for my home and home based business. We NEED choices to keep prices and services reasonable.

I rely on these services and I am opposed to their petition.

Sincerely,

A concerned internet consumer.
