**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a local internet provider. I like the service they provide to my local community.

I was previously a customer of AT&T for internet and telephone services. I switched to a local internet provider due to increase in cost of these services. I am very happy about the service I get from my local internet and telephone provider. I would like to continue to use their services.
