**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! The internet service and support I get from Sonic is way better than anything I have ever received from AT&T or Comcast. Previously, I used AT&T in my area, and never got the bandwidth they advertised, and frequently had trouble getting support when my internet went down.
