**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer AND a small business owner who supports broadband competition and broadband is critical to both my home office and business.

I currently have fiber now and used to be with competitive DSL and want to keep it this way. By eliminating we will have huge price hikes that will increase the cost of internet and phone services.

Please help!
