**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want there to be competition in the home internet service provider market. I have not been happy with ATT and Comcast. They are expensive, hike their rates regularly, and provide poor customer service. I haven't used them for my internet for over 10 years.

Please allow smaller companies to compete in the internet service market. It is essential to fair competition.
