**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

More competition among companies increases my chances as a consumer to receive better service and pricing. It offers an opportunity to find the best service provider. If competition decreases then prices will increase and consumers like me lose options. Please support competitive practices. Say NO to price hikes that will increase the cost of internet and telephone services.

Thank you,
