**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competition and the network neutrality that ensures it. Please support it.

Being a rural located customer and a senior, I do not want the telephone rates nor the internet rates to be increased simply to ensure that large companies will be able to garner more cash from the general public.

Living in the countryside, I rely on the internet and the lower costs to obtain my news, communications from family, friends, medical affiliations, etc.

Do the right thing!

Thank you.
