**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a homeowner in San Francisco, and I suppose broadband competition. For many years I used a carrier (Sonic) which provided me service using unbundled copper. Although I have switched to fiber now, I am still with Sonic, and they are still using UNE's to connect from city to city as the key backhaul for all of their fiber networks.
