47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Preserve telecom competition with local carriers. I have fiber wire now and have had DSL before for a long time with the local carriers. At this point I would say I have excellent and affordable fiber provided by a minor Telecom carrier, Sonic who have the best customer service available, and the best service available.
