**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No to forbearance!

It'll weaken or kill competition. We need more competition. not less.

Let the market work & don't favor the monopolistic giants.

NO to price hikes that will increase the cost of internet and telephone services.

Broadband is critical to my home. I use it constantly for information, entertainment, education, even for background music of nature for rest I need for my disability.
