**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner. I support broadband competition. I live in a rural area that is poorly serviced or expensively serviced by the customer unfriendly big companies like Century link. Local providers give me a company who behaves with more accountability and fairness because they are not anonymous. Their kids go to school with mine so to speak. Competition keeps quality up.
