**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Leave Sonic alone. They are an excellent alternative to the AT&T provider I had previously. Better price point, and better download and upload speeds for a better price than i had before. And, I always had issues with my AT&T broadband, yet I've never had an issue in the two years that I've had Sonic. And, they are easy to access for questions and know what they are talking about. They also included my landline in my monthly rate.

I DO NOT want AT&T to dominate the market- they are a rip off. FCC, please allow for a competitive market, and let Sonic continue to compete in this market!!

Thank you,

Mary-Michael Watts
