**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im on a fixed income and I rely on my doctor internet access from my ISP (Sonic). If you pass this no compete act, there will be millions like me who depend on fair, and competitive access will have to pay the big companies their idea of a low monthly price. We, the people, will have to live without access for education, job opportunities, and vital access to family members as well as health care providers. UNLESS internet access is considered as vital as water, and electricity, we will be at the mercy of the big ISPs. I demand that my voice is heard in this matter.
