**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in apartment building and choose Sonic provider for many years (more than 10 years), because their service is incomparable to AT/T (had it before - no, no more!). Verizon. I lived in different apartment before and had Sonic also. Service that Sonic provide is very personal, highly professional, with reasonable prices for fiber and phone. Nobody can compete with them. In our apartment building 75% people have Sonic service and extremely happy. We all need companies like Sonic. We all say NO to price hike. We all need broadband like sonic, it is critical for my being - connect me to all my friends, to the world - I am senior and disabled. It keeps me active in world's life.

Please, make everything possible and impossible to keep company like Sonic. I and all living in the building need the company like that, not like AT/T, Verizon who only interested in profit, do not care about me, my needs.

Sonic is peoples company. Do not let it change!!!

Thank you.
