**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of being stuck with Comcast and AT&T (read expensive and terrible internet), I now have Sonic in San Francisco. For the first time, internet is no longer a bad word. I work from home and was crippled by my previous internet. Removing broadband competition would be horrible for my neighbors and me, and significantly my ability to do my job.
