**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Gilbert Stahmer, I enjoy having options in a fare market of business. I have had AT&T and am currently with Verizon, but that's only because Sonic doesn't provide Cellular Service (which I would recommend they do.) I'm not impressed with AT&T or Verizon, T-Mobil, Cricket or Metro. Sonic and all of these companies need to come down on their prices for internet but for the most part, Sonic is an option I choose for service and to take that away.....Well, it's just not American or right. Thank you for your attention to this matter. Take Care.
