**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not allow USTeleCom to dismantle or amend the current 1996 Telecommunications Act. It will take away our freedom of choice and the spirit of competition that Americans value. Corporations hidden agenda is monopolizing the market and drives up costs and to take away consumers options. I am a current Fiber user today. Please consider the little people, a struggling single mother.

Thank you,

Nancy Fong
