**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

More competition has provided us with a wonderful, reasonably priced wi fi, internet and phone service, specifically Sonic.net and now we have fiber that allows speeds no other company can match at a very reasonable price. Please do the right thing and maintain a competitive market for this exceedingly important service.

Thank you,

Michael Lara
