**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to express my desire to see no price hikes that will increase the cost of internet service. Frankly it is not that great to begin with and what little competition we have is due to the small/local provider available to me. I currently pay 40% in taxes alone. That is ridiculous.

I currently have DSL broadband (broad but slow) combined with telephone service. This makes the service doable for me.

Please keep competition a part of this system. Companies that don't compete don't care.

Regards,
