**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose what AT&T and their associates are doing to push out more affordable competitors Sonic Net. Ive found AT&T very rude and unhelpful when I tried to get home internet service. Im so thankful my neighbor told me about her great great experience with SONIC NET. Please do not allow AT&T to monopolize internet service and force people to use their bundle packages. They are stupid + greedy. We should be allowed more affordable options than what they offer and want to impose on us.
