**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I run a small business and website. I do not need big Corporations charging me tons of money for their poor service. I chose Sonic.net as a replacement for over priced DSL service in my area. Their service is invaluable to me as a small business owner. I find it very disturbing that you would even consider signing on to what these greedy utilites are suggesting. I also use their Land line as my phone service instead of an unreliable VOIP service. I got away from the big phone service and am saving money on this also. Every penny I can save goes to keeping my small business alive. Please reconsider this proposal.
