**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a home user that relies on independent providers to supply quality internet connectivity, I'm at the mercy of corporations. If we see internet access as a basic utility and human right then free market competition is an absolute necessity to avoid monopolies that would harm the consumer.
