**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used numerous cable and internet companies throughout the years, it was until I started using Sonic's fiber technology that I thought I was over paying. Sonic has better customer service, and connection than the other big telecommunications companies and their prices are fair, I would be extremely upset if they were to go out of business.
