**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC:

I am a residential customer of Sonic. I used to have ATT for phone service, which provided very expensive service for practically nothing. Now I have much better internet and phone service combined from a local carrier, Sonic, for much less than I used to pay before.

Competition in the marketplace is good for customers! Do not let the big companies become essentially monopolies that limit residential customers' choices.
