**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly object to eliminating competitive providers!!! Competition controls costs, offers superior customer service & brings creativity. Many of us like supporting small companies who care about us. We cooperate & enjoy a caring service relationship...humans helping humans. A corporation is treated like a person yet has no human characteristics. It dehumanizes!! Stop Corp takeover!! Maintain healthy competition!! Its a Winwin.

Sincerely,

Marilyn Abedin
