**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a small local DSL provider in a small town in California Central Valley; my DSL is provided through the copper wire since nothing else is available in my area. Previously, I had only bad experience with the major DSL providers in my area (ATT and Comcast), and so, I would like to keep my current DSL service as it is now. Please, keep the landmark 1996 Telecommunications Act intact and do not release the telecommunication companies (ATT in my case) from the obligation to share the copper wires (the Public Switched Telephone System).

Sincerely,

Michael Kapovich
