**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is necessary for consumers to be able to pay fair market prices. It is what our economy is built upon. I chose to use Sonic over AT&T or Comcast because I only needed basic internet service and not only is Sonic a local company, but offered the best prices. I use broadband internet for work, home and my children use it for school. Keep access to the internet affordable with competition.

Sincerely,

Linda Denis
