**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic, with it's local customer service, is so much more pleasant to deal with than Comcast or ATandT that it horrifies me that you would even consider reducing competition by conceding to AtandT's and US Telecom's petitions to take away critical unbundled network elements. We need more competition, not less. Serve the people who elected you, not the companies who pay you off. Just because we don't take you out to lunch like a lobbyist doesn't mean we don't care or we aren't paying attention.
