**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fiber provider Sonic is much better than AT&T - and customer service at AT&T got better just to compete since they came into the neighborhood. Don't let AT&T trick you! Our old DSL was terrible. I don't know exactly how much is a "fair" price for broadband providers to pay for the network they use, but look at AT&T profits and stock buybacks before you believe whatever they are telling you.
