**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to work from home as a software engineer and the competitive broadband pricing in my city was important to my bottom line as a consultant. I don't believe that removing choice from the market will lead to fair choices for consumers. Please ensure that broadband offerings remain fair and competitive.
