**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

What USTelecom At&t and others are trying to is an absolute outrage. Competition in this sector is vital and with out it you lose another piece of the fabric that makes this country great. To lose Sonic is to lose the American way. Please vote to allow for the continued competition in this sector so consumers have a choice and our rates are driven by market forces not huge conglomerates that leave us with no option. I own a company and I and all of my employees depend on sonic for the continued functions of our business. Dont make the mistake of undermining the foundation of our strong economy by reducing options for business to grow with competitive communication options.

Thank you for your time.
