**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Nadiia, originally I am from Ukraine, but have been living in San Francisco for almost 4 years now. Ive been using Sonic fiber for over a year now, before that Ive tried Comcast and other types of connection. I must say, I prefer Sonic, they are very reliable and trustworthy company that delivered brilliant service to their clients, comparing to other companies Ive tried. All my streaming works much better and much more smooth since Ive started using them.

Please keep the small providers, they are the future of this country, they are more reliable and more close to the end user.

Sincerely,

Nadiia Sydorova
