**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to switch to Sonic, a competitor to Xfinity, for my fiber internet service because Sonic was able to offer me *vastly* superior service at nearly half the cost of Xfinity. This service also offers me competitive telephone service.

I am fully against the USTelecom supported petition as its passage would materially impact me. I am a tech professional who has worked full time in San Francisco for the last 22 years. I rely heavily on this service and I would be materially impacted by its loss.

Thank you.
