**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There needs to be more competition in the providers. By limiting the providers, it creates a near monopoly of services. There is no incentive to provide good service or a competitive price. In the end the consumer loses which in turn means that tax payers and voters lose out.
