47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a subscriber to a local ISP that is not ATT or Xfinity.

I want to make sure that you keep opportunities open for smaller providers like Sonic to continue providing competitive broadband to people like me.

I like Sonic's customer service. I like that they are locally owned and operated. I like that that they work hard to provide an amazing product for a fair price.

Broadband is critical to our household and we are ready for fiber but it just isn't available in my neighborhood yet.
