47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for my fiber internet, they offer AMAZING speeds at amazing prices, they are almost half the price that I was paying Comcast but maybe 10x+ the speed. from an upload perspective that is actually probably closer to 100x increase.

I really hope that the FCC continues to encourage competition and investment in Fiber vs old technologies.
