**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider that has real people to talk to when there is a problem with my internet. I have used Sonic for years and am really happy with the service. They have increased the price only once in the past 10 years. Broadband is critical to my home and takes care of my cellular needs also. I am now using Google cellular phone service and I rely heavily on the Wi Fi at home.
