**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm happy to have a choice of providers and I'd like to be able to keep having those choices.

As a small business owner I support broadband competition. I don't need to pay the high prices for services that I don't use. The service provider that I use is perfect for my needs, and also more affordable than the larger companies.

Please keep competition alive and healthy!
