**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. It is better for consumers to have choices. I need broadband in my work. I work at home. Please allow competition, it helps everyone! Don't allow the large companies to become monopolies! I cannot afford any more price hikes. Sonic is a great value and gives amazing service, much, much better service than the big providers. Please help!
