**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who supports broadband competition.

I do not want price hikes that will increase the cost of internet and telephone services.

Broadband is critical to my family. Please stop big companies like AT &T from getting rid of competition and raising prices.

Before I switched to Sonic gigabit fiber, I was paying more than double for a much slower speed and terrible customer service from AT&T. I want to keep my Sonic internet.
