**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I respectfully request that you do not allow the AT&T and Verizon to monopolize the market for home internet users. We need the competition that the small providers bring to the marketplace. Broadband access is critical to my work as I work from home. Having tried Spectrum and AT&T fibre they do not provide a reliable service at a reasonable cost. The service was completely unreliable with day long outages on occasions.

PLEASE save the internet. AT&T will destroy it.

Thank you!
