**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Dont let local broadband providers go out of business. AT&T and Comcast and other monopolies need more competition not less. I live in Pacific Heights and I cant get any internet then comcast and its terrible and they know and could care less. Just 2 miles away I have another service and its from Sonic not only is it 5 times faster (fiber optic) its also \$40 a month less.
