**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and I LOVE our broadband provider. Sonic is human-scaled, and not just another mega-corporation running roughshod over captive customers. Sonic if you and your regulatory actions do not kill it off is the emerging face of a benign evolution in American capitalism. Please let it live.
