47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We own two homes in California, one in Contra Costa County with fiber, the other in Sonoma County with broadband. We love the speed fiber offers and we hope to see it come to Sonoma County as well. We only had the choice of a few providers in Sonoma County. We'd love to see fiber out in the rural areas and I hope this will encourage you to think about allowing local broadband providers expand into fiber as well.
