**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There needs to be more competition. We as a nation are falling behind other nations to internet speeds, cost, and availability. We pay more for inferior service because of the lack of competition in the country.

The internet has become one of the backbones of daily life.

Keep the key components of the 1996 Telecommunications Act. Do not let big telecom allow us only to have bundle services. I just get internet.
